Tiffen & Co named in Top 25 Brokerages

Friday 3rd September 2010

Award winning Canberra based mortgage broking firm Tiffen & Co has been recognised with another significant accolade, being ranked in the Top 25 Brokerages according to a report conducted by The Advisor Magazine.

Tiffen & Co has won a host of prestigious awards since they were formed almost 15 years ago, and this recent accolade is another impressive achievement.

The firm was ranked in tenth position on the list of the Top 25 Brokerages in Australia.

This achievement is considerably impressive given the firm's size in comparison to other companies inducted into the list. Tiffen & Co achieved the highest productivity per broker out of the Top 10 companies, with an average volume of \$33,730,319.

Tiffen & Co Managing Director said, "it's an honour to be recognised in this list and as one of Australia's leading mortgage brokers. While it's pleasing to win awards, we're not after the accolades. Our company has always been about making sure our clients receive exceptional value and personalized service. I think the relationships we have with our clients is what makes us such a strong business, and it makes our job very rewarding".

This recent acknowledgement strongly confirms Tiffen & Co as the leading Mortgage Broker in Canberra, and one of the best in Australia.
